

Appeal from decision of Nevada State Office, Bureau of Land Management, declaring unpatented mining claims abandoned and void. N MC 16736 through N MC 16743.

Affirmed.

1. Federal Land Policy and Management Act of 1976: Recordation of Affidavit of Assessment Work or Notice of Intention to Hold Claim -- Mining Claims: Abandonment

Under sec. 314 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. § 1744 (1976), the owner of mining claims located after Oct. 21, 1976, must file a notice of intention to hold or evidence of performance of assessment work on the claims prior to Dec. 31 of each year following the calendar year in which the claims were located. Pursuant to 43 CFR 3833.0-5(m), a proof of labor or notice of intention to hold will be deemed as timely filed if it is mailed in an envelope bearing a clearly dated postmark affixed by the United States Postal Service prior to Dec. 31, the period prescribed by law, and is delivered to the proper BLM office by Jan. 19 immediately following.

APPEARANCES: J. L. Shinn, pro se.

OPINION BY ADMINISTRATIVE JUDGE HENRIQUES

J. L. Shinn appeals the Nevada State Office, Bureau of Land Management (BLM), decision of January 31, 1983, which declared the unpatented Lorraine #1 through #7 fractions, and Lorraine lode mining claims, N MC 16736 through N MC 16743, abandoned and void because no proof of labor or notice of intention to hold the claims was filed with BLM prior to December 31, 1982, as required by section 314 of the Federal Land Policy and Management Act of

1976, 43 U.S.C. § 1744 (1976), and 43 CFR 3833.2. The claims were located in January and February 1978.

Appellant states he mailed the 1982 proof of labor on December 31, 1982, believing that to be the deadline date.

[1] Although the regulations have been amended to permit the "timely filing" of proofs of labor mailed in envelopes bearing a clearly dated postmark affixed by the United States Postal Service before midnight December 30, and received by the proper BLM office by January 19, 1/ where the postmark affixed to appellant's envelope shows December 31, 1982, he cannot be given the benefit of the amended regulation. Accordingly, when the proof of labor was not received by BLM by December 30, 1982, and the envelope received January 3, 1983, bore a postmark of December 31, 1982, BLM had no choice under the statute but to declare the claims abandoned and void.

Appellant may wish to consult with BLM about the possibility of relocating these claims.

Accordingly, pursuant to the authority delegated to the Board of Land Appeals by the Secretary of the Interior, 43 CFR 4.1, the decision appealed from is affirmed.
